Unit Management

CATO

Unit Management

Our unit team will work through all weather conditions to ensure the cameras can continue to roll. We have specialist unit managers for TVCs and longform productions and will package together the elements required for your specific needs based on the size and scale of your production. We can cater for anything from four to 400 people. No budget for a unit manager? Try hire our gear to cut costs.

Terms & Conditions

All prices are subject to GST. GST is applicable to ALL productions that shoot within Australia, including internationally registered companies. All items marked with * require booking in advance. Special request items charged at cost price plus time required to obtain; charged at \$45/hour. Location recce charged at day rate and capped at 8hrs. Location mud maps/parking maps (if not produced during the hours of the location recce) will be charged at \$60/map. Payment terms are seven days from the date of invoice. WIFI use is limited to emails and general web browsing. Additional charges may apply for additional downloads. Tolls are not included in mileage costs, and are a production expense. All hire equipment remains the property of Cato Logistics Pty Ltd. No hire period shall exceed 60 days. Please read & accept our Terms and Conditions of Trade prior to booking our services.
